## International Language Homestays

[WWW.ILH.COM](http://WWW.ILH.COM)

### The Homestay Experience

The homestay experience includes accommodation and all meals, and you are part of your host teacher's social and family life after class.

Because you live in your host teacher's home and use the language all the time, the learning process never stops - you learn during lessons, during meals, on trips and when enjoying activities.

We choose the host family with your interests in mind, and a special diet or other special requests are taken into consideration.

### The ILH Way

After 30 years of experience we know that studying and living with a teacher in their home is one of the most effective and enjoyable ways to learn a language.

You live in your teacher's comfortable home and can choose to have 15, 20, 25 or 30 full hours of lessons per week.

You receive tailor-made lessons at your pace, giving you confidence and helping you progress quickly. Your teacher plans lessons according to your interests and needs.

Your language homestay guarantees an effective course as well as an enjoyable and sociable stay.

## Additional Options

[WWW.ILH.COM](http://WWW.ILH.COM)

To give you the best experience, you can add different options to your course. All sports, such as golf, tennis, horse riding, dance and cultural activities can be booked before arrival.

### Add sight-seeing to your ILH course

By adding City Plus or City Experience to your course you can combine sight-seeing with learning. With your teacher or an adult family member, you can visit a nearby city, learn about the local history and use the language you are studying.

### Add some local culture to your ILH course

Add the Hobby Plus option and enjoy half or full day trips with your teacher or an adult family member. You visit local places of interest, historic and cultural centres and have the opportunity to learn more about the traditions, heritage and culture of the country you are studying in.

### Add a favourite activity to your ILH course

If you add the Hobby Plus option, you can combine learning with your favourite activity: horse-riding, golf, dancing, sailing, cookery, scuba-diving or other hobbies.

## Choose ILH with confidence

The key benefits of an ILH course are:

An intensive immersion in an authentic environment which will enable you to make much more rapid progress than classes at home.

High quality one-to-one tuition in a comfortable home with a welcoming, friendly and knowledgeable host teacher, carefully selected to match your needs.

A great variety of locations across the world

Lessons tailored to your individual requirements and needs, so it's ideal for studying at your own pace.

A network of local organisers to ensure consistently high quality. Our local organisers' primary concern is your welfare and happiness during the stay. Their job is to identify the best possible teacher available for you, taking into account your:

- linguistic needs,
- preferred location,
- job or studies
- interests and hobbies
- age
- any allergies and special dietary requirements

The local organiser regularly visits teachers to make sure that they satisfy our quality standards for teaching and hosting. Your local organiser will contact you within the first few days to check that you are happy with all aspects of your stay, and they are on hand to deal with any emergencies that may arise or any questions you may have.

They pay particular attention when placing junior students and will only place with teachers who have been appropriately vetted.

Academic support every step of the way. Before your course you will be asked to complete a level assessment test and needs analysis to help the teacher tailor your course according to your level, needs and interests. Your teacher will complete a course record which you will be asked to sign to confirm that you have received the lessons and activities. At the end of the course, the teacher completes a student report detailing your progress and level which will be emailed to you along with a certificate of attendance. Your teacher will be able to draw on a variety of resources including:

- Unique ILH worksheets
- Authentic materials, such as newspaper articles, publicity materials, and extracts from TV and radio.
- Course books which help develop listening, speaking, reading and writing skills and online resources, such as company websites, YouTube videos etc.

After your course you will be asked to complete an end of course questionnaire which will give you the opportunity to tell us how your course went and which we will use to improve our courses in future.

You will be integrated into family life so you will learn a great deal more about the culture of the country than if you stayed in a residence or hotel.

The learning continues after lessons with speaking practice during the course of everyday activities, whether around the table at meal times, or out and about with the teacher. You will use your language skills in real life situations.

Engaging activities and trips. You will have a guaranteed minimum of three cultural or social activities every week to give you the opportunity to sample the cultural life and the main places of interest in the locality. It could be a tour of a place of historical interest, a visit to the seaside, country home or castle, or a sporting activity such as tennis or golf, depending on your interests.

You'll want to repeat the experience. Many of our students choose to do a repeat course in the following year with the same teacher, or choosing to go to a different location, or even to learn another language.

### Calendar 2017

EiM is open from Tuesday 3 January to Friday 15 December, but is closed on the following National Holidays: 14 to 17 April, 1 and 29 May, 28 August, and 18 December to 1 January 2018. The first day back for students in 2018 is Tuesday 2 January.

On national holidays there are no classes. Students have the option of joining a teacher-led excursion (transport not included) instead of classes. Any missed individual classes are taught on another day. When the national holiday is on a Monday, students arriving have their induction on the Tuesday. However, the above does not apply to our Christmas Break (from 18 December to 1 January), where no trips are offered as the Centre will be fully closed.

### First Day

On arrival, students receive a Welcome Pack as part of English in Margate's Induction programme. This contains comprehensive information about the school as well as relevant details about the local area, including transport and recreational facilities. During the induction, students are given both a written and oral test to determine their levels, followed by a tour of the school. After a mid-morning break, during which they have the chance to meet other students, they join classes at 11:30 (in summer this may be an introductory class).

In the afternoon, there is an orientation tour of Margate and an academic induction to our self-study facilities as well as a meeting to discuss the social programme in more details.

## Academic Support

One of the key features of our Academic team is the degree of hands-on support offered to students from the moment they arrive until their departure. This is an ongoing process of communication with all students, including feedback questionnaires at various points during their stay. Students are also welcome to express their opinions to their classroom teacher, particularly if they have concerns over their placement and class level. In addition, fortnightly tests and a system of 1-to-1 tutorials enable us to assess and monitor the progress of all students, ensuring appropriate classroom provision.

For students who wish to add additional elements to their learning programme, our self-study centre, open weekdays from 8:45am to 9:30am, 11am to 11:30am, most of the day from 8:45 am to 5:30pm and on two or three evenings from 7:45pm to 9:45pm, offers the ideal practice opportunity, with assistance from staff available whenever necessary.

## Welfare

With academic progress being so closely linked to a student's personal circumstances, we have a strong system of pastoral care in place, based on care and confidentiality. During their stay, students can be sure of finding a sympathetic and helpful member of our Welfare Team who will offer the appropriate advice and guidance, with the individual's best interests in mind. Students under the age of 18 have a dedicated meeting on the first day to help make the most of their experience in Margate.

We do not accept beginners or proficiency students on group courses. We reserve the right not to allow a student to start a course if they do not meet these criteria, or to place the student in a class with fewer lessons and a different syllabus, with no right of financial compensation, to better suit the needs of the student. English in Margate may alter or cancel the course programme, change teachers and location and alter dates from those stated in the brochure without prior notice.

Enrolments are accepted on the understanding that the student has no illness or infirmity which might adversely affect the success of the stay, and that any transmissible disease or pertinent medical condition suffered by the student must be declared at the time of booking.

For students under the age of 18 to be accepted, we will require additional documents signed by their parents or guardians: Consent to Travel and Medical Consent and Parental Consent.

All students must agree to the disclosure of their data to appropriate bodies such as the UK Visas and Immigration office or the British Council as required by the Data Protection Act.

EiM does not accept responsibility for any loss, damage or misadventure students may suffer in the family, the school or elsewhere, or if students miss classes due to circumstances beyond our control. Students are liable to pay for any damage they cause at their accommodation. Students are strongly advised to take out appropriate travel and medical insurance before travelling to England. We recommend using Guard Me. The policy may be booked online at guard.me.

EiM is insured with Public Liability Insurance. Students are advised that the school, its employees and its representatives accept no responsibility for personal injury and/or loss of/ damage to personal property on school premises. This condition also applies to public and private places when students are on school activities and/or excursions. The school will not be responsible for resolving any issues that arise from lack of insurance cover on the part of the student.

EiM reserves the right to use photographs taken in and out of class for promotional purposes. If a student objects to his or her photo being taken, they should indicate this at

the time of booking. These photos have no commercial or contractual value.

#### Enrolment confirmation and payment

Once a completed application form and deposit have been received and accepted, the student will be sent confirmation by email with an invoice for the balance due. Fees must be paid in full four weeks before the start of the course. The course and accommodation will be cancelled if payment is not received and the student does not contact us about this.

#### Cancellations and refunds

Full fees for all courses are payable and are non-refundable unless we receive a cancellation notice at least 28 days before the scheduled date of arrival, in which case the £200 deposit is forfeited. All cancellations must be notified in writing to the school and are only validated with written acknowledgement of receipt from the school. EiM cannot refund fees to students who start the course late, miss classes, choose to exchange their course for one of lesser value, or leave early for any reason. There is no refund for lessons lost due to public holidays. If the course is cancelled from 28 days to 7 days before the start of the course, 50% of the fees will be refunded; there would be no refund if a cancellation is made less than 7 days before the start of the course.

#### Accommodation and Holidays

We are happy to consider a request for a change of homestay but an administrative charge of £30 may be incurred at the school's discretion. For long-stay students we ask that at least two weeks' notice is given.

The school must be informed of any guests staying in self-catering accommodation. A supplement of £30 per night per person is charged for any guests staying overnight.

If the student is on a long course they should pre-book the number of weeks' holiday they wish to take before the start of the course. All students must notify the school of the specific dates of the holiday they wish to take at least two weeks in advance. Students who wish to book a holiday with less than one week's notice may do so at the school's discretion.

#### Visas

It is the student's responsibility to ensure that they have the correct visa type and appropriate leave to remain in the UK. If that is not the case, the course will be terminated and tuition fees forfeited. If a visa invitation letter has been issued and the visa application is refused, a refund minus any costs incurred would be made upon receipt of a copy of the visa refusal document.

If the student has booked through an agent, their terms of contract may apply to the student, but we reserve the right to apply our own terms.

## 7 Social Programme

The social life you experience as a student at English in Margate is very important to us. Taking part in the additional activities that we provide and recommend while you study allows you to put into practice what you learn and take your English to a new level, while having fun and creating lasting friendships with your fellow classmates. Our unique social programme has something for everyone, whether you want to learn more about British history and culture, visit famous places of interest, or just relax with your friends.

The basic social programme for a week consists of two main elements, the Hawley Club evenings and excursions to destinations close by and further afield.

**Evenings at English in Margate:** We are very lucky to have our own Café / bar within our school building – our Hawley Club. This gives our students the opportunity to meet and socialise in a friendly and welcoming atmosphere, making it easy to get to know others and make new friends. Apart from being able to relax in a comfortable setting while having some snacks and beverages, we have a small pool table and wi-fi of course. Our students come to the Hawley Club in the evenings to welcome new students, or say goodbye to those leaving, listen to a cultural talk given by a teacher or, for example a local historian or businessperson. We have regular international food evenings too and the club is a good meeting -place for students going into town for the evening, maybe to the cinema, Morgan's Dance Rooms or to a local restaurant.

Since our homestays are generally within a very short distance from the school and the town centre, you can take full advantage of our Club and the activities we organise. The club is open two or three evenings per week between 19:45 and 21:45 and we offer a variety of activities for you to enjoy including casino nights, film evenings, cultural talks and more. On Tuesdays and Wednesdays, we organise Cinema Evenings, Pub Trips and Salsa Dancing.

Our Monday night Welcome Evening is an excellent opportunity for new and existing students to meet and get to know each other in a fun and memorable atmosphere.

We offer cultural visits to suit all tastes and all these activities can be found on our website. At English in Margate we believe that taking part in the social activities will provide you with a full, enriching and memorable experience.

## Terms & Conditions (see websites for full Terms & Conditions)

We reserve the right to apply our Terms and Conditions for all clients, including those who have booked through a partner agency.

### General

Leo Languages considers the choice of family to be more important than a specific town and reserves the right to change the area if there is no compatible family in the area chosen. Leo Languages reserves the right to place a student with more than one host teacher on a given course and also reserves the right to change the allocated teacher before or during the course.

### Insurance

Insurance against cancellation, accident, illness, loss of property, theft or any accidental damage the student may cause to the property of others is the responsibility of the student or student's parent/guardian and personal insurance is required. You may consider using Guard Me. The policy may be booked online at guard.me. Leo Languages will not accept any responsibility for injury or damage caused to persons or property during the stay - students are liable for damage they cause to property in their accommodation or on school premises. All EU students travelling to an EU destination must possess the European Health Insurance Card. Parents must take appropriate measures to protect their children's valuables and other personal possessions.

### Dietary requirements

We do our best to accommodate special dietary requirements. We reserve the right to charge a supplement for students requiring any diet where the family needs to buy special products (e.g. gluten free bread, halal).

### Special needs

We try to accommodate students with special needs. As our students are generally housed in homestay accommodation, it may not be possible to cater for students with special needs.

### Medical conditions and illness

Enrolments are accepted on the understanding that the student has no illness or infirmity which might adversely affect the success of the stay. Any medical condition must be declared at the time of booking. We reserve the right to terminate the course without refund of fees if this condition is breached. Class hours missed because of student illness or absence during the course are forfeited and any recuperation of missed class time is at the sole discretion of Leo Languages. Class hours not given because of teacher illness or unforeseen absence will be refunded on a pro rata basis.

### Photography

We may use images of students - not identified by name - in our publications. Parents are asked to specify if they do not wish their child to be photographed or to appear in any of our publications.

### Arrivals and departures

Arrivals at the host teacher's home should be during the late afternoon or early evening. As a matter of courtesy we ask students travelling independently to contact their hosts in advance to advise them of approximate arrival times. Departure transfers before 07:00 will normally require a taxi and will not be undertaken by the host teacher. Departure on the last day should be no later than the student's original arrival time on the first day.

If an arrival transfer is requested, we must receive travel details as soon as possible (minimum of one week before arrival) so that an arrival transfer can be arranged. When an arrival transfer has been requested we will automatically pass on details of the student's arrival time to the host teacher.

### Additional expenses

We recommend that students allow a minimum of £80, €100 or \$100 per week for pocket money expenses during their stay.

## Additional Junior Terms & Conditions (see websites for full Terms & Conditions)

For all students under the age of 18, a parental consent form, included in the enrolment package, must be completed and sent to us in advance of any course or the enrolment is not confirmed.

### Stays of 28 nights plus in the UK

Stays of 28 nights or over for students aged under 16 are considered to be a private fostering arrangement by UK authorities. There is a supplement of £200 for any such stays to cover the additional administration required. A stay of 27 nights or less will not incur this supplement.

### Student discipline

We reserve the right to send a student home for disorderly conduct, at their parents' expense with no refund on fees.

## Suggested things to bring:

We advise students to bring a rucksack, waterproof coat and comfortable shoes e.g. trainers, sports/swimming outfit for days involving sports or the beach. A minimum of £80, €100 or \$100 in small denominations per week for pocket money expenses during their stay is recommended.

**Enrol online at**

Leo Languages is, for me, the culmination of over 30 years in language teaching.

Early memories take me back to when I was a student and summers spent teaching English to classes of boisterous teenagers in church-halls. That did not deter me!

After graduating from Bristol, I took an English language teaching course in London and, in the mid 80's, I joined a local part-family owned business that pioneered 'living and studying' in teachers' homes worldwide. In the mid 90's, I opened a school for adults in south-east England and, following British Council accreditation and membership to English UK, we were invited to become a member of IALC, an award-winning, global network of independent language schools.

Under the umbrella of Leo Languages, I am delighted to present, in this brochure, a comprehensive and diverse range of language programmes for everyone.
